Audurra's user friendly range of paint accessories are tailored to optimise performance and meet productivity, safety and efficiency goals. The range of products includes abrasives (discs, strips and soft-rolls), masking foil, mixing cups/lids, stirrers and wipes.

In addition to the range of Audurra products, we also have a range of complimentary products available through our distributor network.

Sontara.

Sontara offers a portfolio of wipes for cleaning in automotive and industrial environments.

Tyvek

Tyvek coveralls provide protection from a wide range of contaminants.

Abrasives

Audurra Premium Sanding Discs - Strips and Soft Rolls

Audurra Premium Discs, Strips and Soft Rolls are specifically developed for Axalta premium paint. They are designed for high efficiency sanding.

Our new sanding system, A-B-C-D-E makes sanding easier with only 8 items to cover 90% of applications. This new system focuses on choosing the product that is right for the application as opposed to choosing a grit size. The system aids in avoiding application errors and results in re-coatability without scratch or swirl marks.

The product features include only 4 grits for paint preparation (A to D). The coarse grits focus on removal rate and time savings, while the fine grits have low scratch depths for perfect finish. In addition, there is 1 grit (E), for use in blending.

The multi-hole pattern makes them flexible for use on pads and blocks.

Standard Process 26 Items				A-B-C-D System 8 Items	
80	80	80	80	A	A
120	120	120	120	B	B

P600	D15352389	100 pcs.

Audurra Fleece Disc

The Audurra Fleece Disc can be used for dry and wet sanding. It impresses with its consistent performance and high surface quality, as well as its low tendency to clog.

Product Options	Article No.	Quantity
Ultra Fine	D15352397	20 pcs.

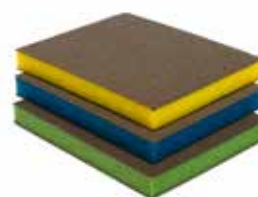

ABRASIVES

Audurra Sanding Sponge Flex - double-sided, 98mm x 120mm

The Audurra Sanding Sponge Flex, with extra soft carrier material, adapts perfectly to all profiled and rounded work pieces. It exhibits a very low clogging tendency in applications with varnish, filler and paint. These characteristics ensure an even and perfect abrasive pattern without scratching. the color coded Audurra Sanding Sponge Flex can also be used when moist for special applications.

Product Options	Article No.	Quantity
fine (yellow)	D15352390	10 pcs.
super fine (green)	D15352391	10 pcs.
ultra fine (blue)	D15352392	10 pcs.

Audurra Fleece Pad - 152mm x 229mm

The Audurra Fleece Pad can be used for dry and wet sanding and impresses due to its high flexibility, consistent performance over the entire lifetime, low tendency to clog, and consistently high surface quality.

Product Options	Article No.	Quantity
very fine	D15352395	20 pcs.
ultra fine	D15352396	20 pcs.

Audurra Fleece Roll - 100mm x 10m

The Audurra Fleece roll can be used for dry and wet sanding and impresses due to its high flexibility, consistent performance over the entire lifetime, low tendency to clog, and consistently high surface quality.

Product Options	Article No.	Quantity
very fine	D15352393	1 pcs.
ultra fine	D15352394	1 pcs.

ABRASIVES

Audurra Backing Plate

The Audurra Backing Plate is characterised by a low vibration (backing is balanced perfectly). The multi-hole pattern guarantees consistent dust extraction and a clean environment. The heat-resistant hook-and-loop guarantees improved extraction and longer life time.

Product Options	Article No.	Quantity
150mm	D15352406	1 pcs.

Audurra Interface Pad

The Audurra Interface Pad leads to an optimum distribution and allows the abrasive to adapt perfectly to curves and contours. Moreover it protects the backing pad.

Product Options	Article No.	Quantity
150mm x 5mm	D15352408	2 pcs.
150mm x 10mm	D15352407	2 pcs.

Audurra Hand Block

The Audurra Hand Block with suction hose and fasteners is noted for its low weight combined with an ergonomically shaped handle for comfortable sanding. Comes complete with a control valve and an adapter. The two dimensions of hand blocks complement the Audurra sanding system. They are used for levelling applications. The perforated Audurra Premium Sanding Strips 70mm x 400mm can be applied on both tools.

Product Options	Article No.	Quantity
70mm x 400mm	D15352405	1 pcs.
70mm x 198mm	D15352404	1 pcs.

ABRASIVES

Audurra Sanding Dry Guide Coat - 100g black with applicator

The Audurra Dry Guide Coat has excellent covering properties. The powder makes all imperfections and scratches visible. The applicator leaves an even powder coating. This is a great tool in guiding the operator through the sanding process and achieving a perfect result.

Product Options	Article No.	Quantity
100g black	D15351798	1 pcs.

Masking

The Audurra range of masking films and accessories meet the needs and requirements of collision repair in work and paint shops. These masking films are offered in a dispenser box that guarantees a perfect protection against dust from the first to the last piece. Individual removal through the prepunched removal slot avoids any dust attraction. Further advantages are: Save transport and easy, stackable storage.

Audurra HDPE Masking Foil/Film

A clear masking with static properties to allow for a perfect covering by protecting vehicles from bleed-through and overspray. Due to its heat resistance up to 110°C, it can be used with infrared dryers. Important: The vehicle should be dry before masking.

Product Options	Article No.	Quantity
4 x 150m - 8µm	D15352433	1 pcs.

A translucent, high-density polypropylene film designed to protect vehicles from paint bleed-through and overspray during the design process.

Product Options	Article No.	Quantity
4.8m x 120m -10µm	AXAPFM120	1 pcs.

MASKING

Audurra Mobile Dispenser - for foil cartons

Mobile, practical working aid when working with the Audurra Masking Foils.

Article No.	Quantity
D15352436	1 pcs.

Audurra Foil Cutter

The specially coated blade of the Audurra Foil Cutter enables accelerated cutting and an extended durability.

Article No.	Quantity
D15352432	1pk = 5 pcs.

Personal Protective Equipment

Audurra Nitrile Gloves - blue

A solvent-resistant quality glove that provides excellent protection. Thickness 4.5 mil. Especially suitable for working with paints and solvents.

Product Options	Article No.	Quantity
size L	D15351801	1 carton = 100 pcs.
size XL	D15351802	1 carton = 100 pcs.

Audurra Premium Nitrile Gloves - black, long cuff

A very high quality, powder-free and solvent-resistant glove that is stronger, thicker (Thickness 6 mil) and more durable than conventional nitrile gloves and especially suitable for working with paints and solvents.

Product Options	Article No.	Quantity
size L	D15351803	1 carton = 60 pcs.
size XL	D15351804	1 carton = 60 pcs.

Personal Protective Equipment

Audurra Safety Glasses

Lightweight metal free safety glasses and wrap-around curved lenses with flared lateral temples for added comfort. They have clear scratch resistant lenses with an anti-fog coating and meet Safety Standard Approval AS/NSZ 1337.1:20101

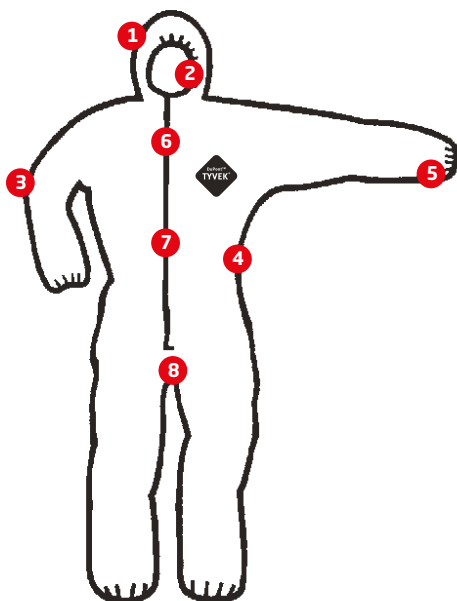

Article No.	Quantity
AXASG	1 pcs.

Coveralls

DuPont™ Tyvek® Coveralls provide the ultimate protection for spray painters. The unique fabric is lightweight and 'breathable', to ensure a high degree of comfort and minimal heat stress for the wearer, yet extremely tough and durable, to ensure maximum protection in the spray painting environment.

These coveralls provide an excellent barrier against dry and wet particles, corrosive chemicals, fine silica dust, caustic materials, harsh cleaning agents, solvents and paint spray. And, being lint and silicon free, and generating no electrostatic charge, Tyvek® Coveralls protect the paint surface against contamination.

Available in sizes M - XXL. DuPont™ Tyvek® Coveralls are designed for your safety and comfort:

- 1 Three piece hood
- 2 Elasticated facial opening
- 3 External stitched seams (Three thread overlock)
- 4 Elasticated waist
- 5 Elasticated cuffs and ankles
- 6 Tyvek® zipper
- 7 Zipper flap
- 8 Additional gusset fabric

Paint Preparation

Audurra Mixing Cups and Lids

These disposable plastic Mixing Cups are transparent and resistant against solvent, for paint preparation. The imprinted scales are matching the most important mixing-ratios of paint products. Corresponding lids can be ordered separately.

Audurra Mixing Cups

Product Options	Article No.	Quantity
300mL	D15351557	1 carton = 286 cups
600mL	D15351558	1 carton = 195 cups
1100mL	D15351559	1 carton = 200 cups
1900mL	D15351560	1 carton = 112 cups

Lids for Mixing Cups

Product Options	Article No.	Quantity
300mL	D15130867	1 carton = 200 pcs.
600mL	D15130894	1 carton = 200 pcs.
1100mL	D15130903	1 carton = 200 pcs.
1900mL	D15130914	1 carton = 200 pcs.

Paint Preparation

Audurra Disposable Spray Gun Cup System

Specialised reusable plastic mixing cups used with flexible disposable liners and lids. The design of the cup enables a refinisher to mix paint in the cup liner on the scales and then place into the outer cup and collar, which clips onto the gun with a fitted adaptor. (Adaptors sold separately).

Outer Cup and Collar

Product Options	Article No.	Quantity
400mL	SCSCC400	1 pcs.
650mL	SCSCC650	1 pcs.
850mL	SCSCC850	1 pcs.

Lid and Liner

Product Options	Article No.	Quantity
400mL	AXACS400	1 carton = 50 pcs.
650mL	AXACS650	1 carton = 50 pcs.
850mL	AXACS850	1 carton = 50 pcs.

Adaptors for a variety of guns available.

Audurra Paint Mixing Stirrer

An innovative Stirrer, designed to help you mix paint faster and save paint. Perfect consistency and pigment blend are crucial for a spotless end result. Mixing paint with the Audurra Stirrer speeds up the process, reduces paint wastage and enables a perfect result!

Article No.	Quantity
D15351715	1 carton = 512 pcs.

Polishing

"All in One" A8 Polishing Compound

A quick cutting, one-step compound which contains no silicone or wax. Allows for quick and efficient removal of swirl marks.

Product Options	Article No.	Quantity
946g	D15335827	1

A9 Polish Fine Glaze

Excellent for use with dark colours and to obtain a high gloss finish. Containing no silicone and also good for quick and efficient removal of swirl marks.

Product Options	Article No.	Quantity
946g	D15339693	1

Foam Pads

Flat Yellow Pad

Suitable for use with most polishing compounds, including Audurra A8 Polish, 30mm width.

Product Options	Article No.	Quantity
150mm	D15333291	1
200mm	D15333293	1

Black Waffle Pad

Suitable for use with most glazes/polishes, including Audurra A9 Glaze, 30mm width.

Product Options	Article No.	Quantity
150mm	D15333294	1
200mm	D15333295	1

Technical Wipes

Audurra Microfibre Wipe

The microfiber wipe can be used for polishing and detailing. It easily removes holograms and leftovers from the polish and gives shininess to every car. The corners of the wipe are very soft to avoid scratches on painted car parts. The wipes are washable and able to be re-used.

Article No.	Quantity
D15352344	1 bundle = 5 pcs.

Sontara® Automotive Wipes for Paint Preparation

Sontara offers a broad portfolio of wiping products for cleaning in industrial and automotive environments. Manufactured with unique, proprietary technology, Sontara® wipes deliver super absorbency, excellent strength and durability, softness and extremely low lint.

Solvent Wash & Dry Cloth

A premium waterborne and solvent pre-clean wipe which is large and super absorbent. Offering excellent strength wet or dry with no added binders or glue that can dissolve on the surface to contaminate your work. This cloth is virtually lint-free and offers excellent strength, wet or dry.

Size	Article No.	Quantity
30cm x 42cm	E-4143	1 box = 100 wipes
	D10856014	

TECHNICAL WIPES

Cleanup Wipe

An economical, general purpose wipe which is perfect for cleaning hands, spills and equipment. It is great for windows as there are no additives which can dissolve and cause streaks. These are not for paint preparation or final pre-clean.

Size	Article No.	Quantity
23cm x 38cm	4366 D10856088	1 box = 400 wipes

Primary Tack Cloth

Medium "tackifier" which effectively picks up dirt and dust before basecoat, while minimizing the potential for tax transfer. Flexible enough to access hard to reach corners. For use with waterborne and solvent paints.

Size	Article No.	Quantity
30cm x 45.5cm	E-4586 D15345778	1 box = 12 cloths

Polish/Detail Cloth

An extra-soft cloth, safe for your finish. Traps polish for a brilliant shine, with no streak-producing additives. Excellent for detailing chrome and interiors.

Size	Article No.	Quantity
38cm x 38cm	E-4144 D10856088	1 box = 275 cloths

Static Control Wipe

A pre-saturated wipe with a 70/30 blend of isopropyl alcohol/de-ionized water. Reduces static charge, minimizes the attraction of dirt and cleans surfaces thoroughly to lower the risk of paint defects. Ideal for moderate temperature and/or humidity conditions.

Size	Article No.	Quantity
38cm x 30.5cm	PS3975S D12279835	1 box = 45 packs

TECHNICAL WIPES

Degreasing Cloth

Ideal for cleaning panels during prep and prior to paint being applied. Good for use with water-borne and solvent degreasers and silicone removers. Virtually lint free and super absorbent.

Size	Article No.	Quantity
30cm x 35cm	A-1000 D13340491	1 box = 300 wipes

Sontara® Aerospace Wipes

A highly absorbent, durable, low lint wipe, used for wiping surfaces dry or for cleaning hard to reach crevices. Specially engineered for aviation applications, they are designed to resist snagging, making them perfect for use on aluminum metal parts and corners. The wipes meet Aerospace Material Specification AMS 3819B, Class 2, Grade A. Approvals include Boeing, Bombardier, Cessna, Douglas and Pratt & Whitney.

Size	Article No.	Quantity
30cm x 42cm	AC12165 D15340075	1 box = 250 wipes

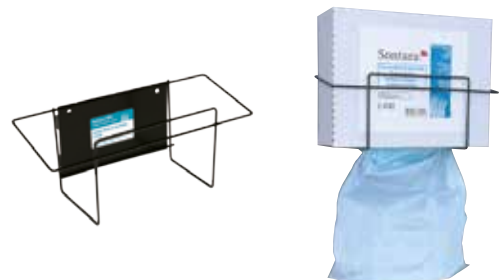

Metal Racks

Magnetic Metal Rack

Holds pop-up boxes for Solvent Wash & Dry Cloth. Perfect for inside the spray booth.

Article No.	Quantity
E-4473 D15340055	1 pcs.

Screw in Metal Rack

For box of clean up wipes or polish detail cloth. Perfect for the detail bay or pre-delivery area.

Article No.	Quantity
E-4474 D15340076	1 pcs.
