4600 XTREME

The 4600 Xtreme is SAGOLA'S top technological expression in bodywork finishing spray guns. Smaller, lighter and with optimal weight distribution. Boasting a shiny and modern design, including most carefully designed ergonomics which offer enviable balance, usability and perfect mechanisation.

Code	Axalta Code	Version	Applications
10142201	D15340086	1.20 (DVR Aqua)	Waterborne paints. Low viscosity. Minimum Consumption.
10142215	D15339548	1.20 XL (DVR Aqua)	Waterborne paints. Low viscosity. High humidity.
10142203	D15339534	1.30 (DVR Aqua)	Special waterborne paints.
10142208	D15339547	1.30 (DVR Aqua)	Waterborne paints. High speed.
10142204	D15339535	1.30 (DVR Clear)	HS clearcoats. Top quality and high gloss finishes.
10142206	D15339545	1.30 XL (DVR Clear)	Special HS clearcoats. High speed.
10142202	D15339533	1.30 (DVR Titania)	Multiproduct, clearcoats, single stage. Basecoats.
10142207	D15339546	1.30 XL (DVR Titania)	Clearcoats and single stage.

3300 GTO

The result of the fusion of the 3300 PRO and the 4100 GTO. The 3300 GTO has a new forged and anodized body and more ergonomic design together with the highest quality and efficiency nozzles, make a more attractive and versatile spray gun.

Code	Axalta Code	Version	Applications
10141551	D15350232	1.30 (TECH)	HS and MS Clearcoats.
10141552	D15350267	1.40 (TECH)	HS/MS Clearcoats and single-stage paints.
10141563	D15350268	1.60 (EPA)	Refinish primers/express drying.
10141564	D15350285	1.80 (EPA)	HS primers.

Mini XTREME

"Control" is the word that best defines the SAGOLA Mini Xtreme. It ensures the perfect air-paint ratio for every situation. Work with the correct fan pattern sizes without running the risk of overloading and wrong paint particle sizes. It reduces mist, saves paint and perfectly defines the work zone. Weight without cup is 350g. The standard cup capacity is 125mL.

Code	Axalta Code	Version	Applications
10111803	D15333457	1.20 (Aqua)	Waterborne paints, solvents.

475 XTECH

Due to its small size (smaller than the Mini Xtreme), this compact gravity spray gun is ideal for feathering, small retouches, patches and/or repainting small parts.

Code	Axalta Code	Version
20140802	D15365248	0.80 (05) Gravity
20140803	D15365247	1.00 (10) Gravity

Airflow Regulator RC1 with Manometer

Ideal for high transfer HVLP and EPA spray guns with Red-to-Green pressure scale (green within provisions of regulations).

Airflow Regulator RC2

Pressure gauge flow regulator with a high quality gauge green scale for high transfer guns.

Code	Axalta Code	Version
56418020	D15333436	RC1 Airflow Regulator with Manometer
40000335	D15333435	RC2 Air Flow Regulator

Super Flow Drying Gun

Special high-end drying gun for waterborne products. With a greater volume of air output, favouring the rapid evaporation of water, resulting in reduced drying time.

Code	Axalta Code	Version
10340401	D15333471	Super Flow Drying Gun

MP300 Face Mask

Constructed to the highest standards for the best protection. Its double charcoal filters are easily removed and replaced by simply unscrewing the filter from the body of the mask. The main body of the mask is made from high quality thermoplastic rubber, allowing for a perfect airtight fit that's comfortable all day long. Designed to provide maximum protection against inhalation of organic vapours and gases with a boiling point over 65°C.

Code	Axalta Code	Version
14810301	D15334819	MP300 Face Mask (2 Filters)
56418052	D15334888	Replacement Filters (10 Pck)

4240 Face Mask

Complete breathing equipment which includes, belt, pocket regulator and coalescent filter to remove low levels of moisture and oil. 10 metres of hose and safety plugs, 1.5 metres of hose spray gun outlet. Please note, protection will only be offered if the unit is fitted correctly.

Code	Axalta Code	Version
15830102	D15368013	4240 Nitto Face Mask – Includes 10 metre airline, belt and filter

Antistatic Airhose

Light, flexible and manageable, making it ideal for painting in the booth. Anti-static EPDM rubber hose with exterior textile reinforcement. High security crimped ends are able to bear the high temperatures of the booth.

Code	Axalta Code	Version
56414025	D15333537	Antistatic Airhose 11 m (8x15mm)

Lubricant Grease

Same grease used by SAGOLA in their factory over the last half century. Effectiveness backed up by 60 years of manufacturing and assembling of spray guns and painting equipment. It helps to prevent a premature wear of moving parts, offering at the same time a smooth and precise performance during the gun life.

Code	Axalta Code	Version
56418589		

Cleaning Kit

Complete cleaning set, including one brush for the outside cleaning and rods of different sizes for all the inner parts of the spray gun. Supplied in a practical show case.

Code	Axalta Code	Version
To come		

Magnetic Spraygun Holder

Magnetic stand for spray gun. Supports PPS type adaptors. Maximum robustness with high holding power due to two powerful magnets.

Code	Axalta Code	Version
40000245	D15333448	SP1 Magnetic Spraygun Holder
40000246	D15333449	SP2 Magnetic Spraygun Holder

Demonstration Case

Carrying case with capacity for three spray guns and two Sagola gravity deposits. Rigid and resistant. Please note, the demonstration case does not include guns or accessories.

Code	Axalta Code	Version
10141750	D15333470	Demonstration Case

Accessories

We stock a complete range of accessories and replacement parts to suit both current and superseded models. This includes replacement aircaps, nozzle and needle kits and couplings. If you can't find what you are looking for, please contact your distributor.
