

OUR COATINGS ARE  
**VIRTUALLY**  
**EVERYWHERE**

# Your Passion. Our Coatings.

Axalta's drive for innovation, color and quality products has made the world a more colorful place for more than 150 years.

Our passion goes beyond the surface - we brighten our communities by championing Science, Technology, Engineering and Mathematics (STEM) education, sustainable manufacturing practices and by being a great employer and corporate neighbor.

## Markets We Serve

### TRANSPORTATION COATINGS

#### Light Vehicle

We are the leading global paint supplier to some of the world's most well-known automotive OEMs.

#### Commercial Vehicle

We are the leading global paint supplier to heavy duty truck and bus segments. We also engineer products for the aviation, marine, rail and trailer markets.

### PERFORMANCE COATINGS

#### Refinish

We are the number one paint supplier to body shops all over the world.

#### Industrial

We are a leading supplier of coatings for industrial applications, including energy solutions, liquid, powder, wood, and coil. We coat a range of surfaces that impact your everyday life, such as sports equipment, architectural structures, furniture, skis, and agriculture, construction and earth moving equipment.

## What Our Customers Are Saying

"Axalta's digital color management tools talk to each other wirelessly, seamlessly and quickly. It saves us a lot of time, which ultimately has helped the overall productivity of our business."

- Frederic Molimard, Carrosserie Pavard, France

"Axalta's product training is a home run. I've never worked with another manufacturer with a program close to the curriculum we went over at Axalta. This will change how I do business." - Gus Cristodero, Manhattan Laminates, USA

"Axalta's support has been instrumental in the success of our new cab paint facility."

- Stijn van Roosmalen, DAF Trucks N.V., Netherlands

"Axalta has been a great partner in providing liquid and powder coatings and a comprehensive service package to ensure we're meeting the demanding needs of today's transit bus market." - Derek Manus, GILLIG LLC, USA

### 50+ BRANDS

### STEM Education

We nurture schools and initiatives around the world that promote STEM and STEM-related career paths, enabling the next generation of scientists and engineers.

### Environmental Stewardship

We walk the walk in sustainable manufacturing processes, and partner with organizations that promote clean water and air and protect habitats.

### University Relations

We offer global programs that help students learn, grow, and connect directly to the exciting work that happens at our company every single day, such as our InventU Internship Program, our Campus Talks in China and our collegiate racing programs.

### Axalta Racing

We maintain motorsports partnerships across nearly twenty global series, including Formula 1 and NASCAR.
