Axalta develops, manufactures and sells a wide selection of performance and transportation coatings around the world. Our customers range from the largest, global original equipment manufacturers (OEMs) to small, family-owned businesses. All of whom have one thing in common - the promise of Axalta quality. Our employees are committed to providing the best possible customer experience, service and product support to every one of our brands.

Audurra means a range of materials and tools that not only improve the standard of the refinish process but also optimise performance as well.

Audurra is the consolidation of the paint and non paint requirements which means a one-stop shop for bodyshops.

Audurra products bring a new level of quality to vehicle repairs. Refinishers can trust that the quality and innovation they already associate with Axalta is reflected in Audurra as its products have been extensively tested in Axalta Training Centres across the region.

Abrasives

Based on our many years of experience in the field of vehicle painting, we have developed an abrasive program that meets the highest requirements of modern painting processes.

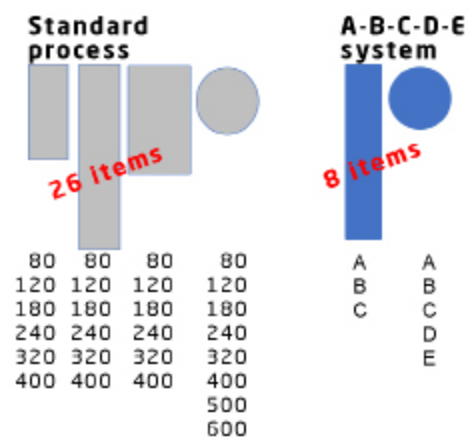

Audurra abrasive products cover nearly the entire sanding process.

Audurra Premium Sanding Discs, Strips and Soft Rolls

The versatile Audurra Premium Discs, Strips and Soft Rolls are specifically developed for Axalta premium paint and laquers, designed for high stock removal rates, perfect surface quality and long life in applications such as the surface treatment of body filler, primer filler, lacquers and paints.

- easier system thanks to the new sanding steps A-B-C-D-E
- only 8 items cover 90% of the applications
- avoids application errors
- guaranteed re-coatability without scratch- and swirl marks
- faster thanks to adjusted grit sequences
- material- and cost savings through a clear process

Powerful Product Features:

- Only 4 grits for paint preparation
- Competitors need at least 1 step more due to irregular scratch pattern
- Strips 70 x 400 with perforation in the middle saves half of the articles
- Multi-hole pattern for flexible use on pads and blocks
- Coarse grits with focus on removal rate and time savings
- Fine grits with low scratch depths for perfect finish
- Adjusted grit size according to application, not according to standards

Audurra Fine Finishing Disc Ø 150 mm,

The Audurra Fine Finishing Disc is the key to a perfect finish in damp and dry sanding applications. It is characterized by high stock removal rates and an excellent finish. The discs are highly adaptable to contours, curves and profiles.

Product variant	Article No.	Packaging
P1000	D15352377	10 pcs.
P3000	D15352378	10 pcs.

Audurra Fleece Disc(Ø 150 mm, ultrafine)

The Audurra Fleece Disc can be used for dry and wet sanding and impresses due to its high conformability, consistent performance over the entire lifetime, low tendency to clog, and consistently high surface quality.

Product variant	Article No.	Packaging
ultra fine	D15352397	20 pcs..

Audurra Sanding Sponge Flex, double-sided, 98 x 120 mm

The Audurra Sanding Sponge Flex with extra soft carrier material adapts perfectly to all profiled and rounded workpieces and exhibits a very low clogging tendency in applications with varnish, filler and paint. These characteristics ensure an even and perfect abrasive pattern without scratching. the color coded Audurra Sanding Sponge Flex can also be used when moist for special applications.

Product variant	Article No.	Packaging
fine (yellow)	D15352390	10 pcs.
superfine (green)	D15352391	10 pcs.
ultrafine (blue)	D15352392	10 pcs.

Audurra Fleece Pad (152 x 229 mm)

The Audurra Fleece Pad can be used for dry and wet sanding and impresses due to its high conformability, consistent performance over the entire lifetime, low tendency to clog, and consistently high surface quality.

Product variant	Article No.	Packaging
very fine	D15352395	20 pcs.
ultra fine	D15352396	20 pcs.

Audurra Fleece roll (100 x 10000 mm)

The Audurra Fleece roll can be used for dry and wet sanding and impresses due to its high conformability, consistent performance over the entire lifetime, low tendency to clog, and consistently high surface quality.

Product variant	Article No.	Packaging
very fine	D15352393	1 pcs.
ultrafine	D15352394	1 pcs.

Audurra Backing-Pad

The Audurra Backing-Pad is characterized by a low vibration (backing is balanced perfectly). The multi-hole pattern guarantees consistent dust extraction and a clean environment. The heat-resistant hook-and-loop guarantees improved extraction and longer life time.

Product variant	Article No.	Packaging
Ø 150 mm	D15352406	1 pcs.

Audurra Interface Pad

The Audurra interface pad leads to an optimum distribution and allows the abrasive to adapt perfectly to curves and contours. Moreover it protects the backing pad.

Product variant	Article No.	Packaging
Ø 150 mm x 5 mm	D15352408	2 pcs.
Ø 150 mm x 10 mm	D15352407	2 pcs.

Audurra Hand Block

The Audurra Hand Block with suction hose and fasteners is noted for its low weight combined with an anatomically shaped handle for comfortable sanding. Comes complete with a control valve and an adapter. The two dimensions of hand blocks complement the Audurra sanding system. They are used for levelling applications. The perforated Audurra Premium Sanding Stripes 70 x 400 mm can be applied on both tools.

Product variant	Article No.	Packaging
70 x 400 mm	D15352405	1 pcs.
70 x 198 mm	D15352404	1 pcs.

Electric Random Orbital Sander

Audurra Electric Random Orbital Sander

An Electric Random Orbital Sander for professionals!

- Quiet, smooth and brushless motor 230V, 350W max.
- 7-Step Speed Control
- Significant energy cost savings vs. pneumatic sander
- Closed construction design prevents dust from fouling the motor, extending the motor life
- Integrated Downforce Overload System
- Low maintenance, long runtime and long lifespan
- Dual channels maximize dust extraction
- Hand wrist ergonomic design provides greater balance and comfort

Product variant	Article No.	Packaging
Ø150mm, 5,0mm orbit	D15365000	1 piece
Ø150mm, 2,5mm orbit	D15365001	1 piece

Long lifespan: Closed construction design prevents dust from fouling the motor, extending the motor life.

Electric Random Orbital Sander

Audurra Electric Random Orbital Sander

Maximum Speed Function: The Electric Random Orbital Sander has Seven preset Maximum Speeds (4,000, 5,000, 6,000, 7,000, 8,000, 9,000 and 10,000/min (RPM)). The Maximum Speed can be changed at any time while the Sander is running or when it is stopped. Any setting for the Maximum Speed will be stored while the Power is turned "OFF".

Scope of delivery:

- 1 x Random Orbital Sander
- 1 x Hose-end adapter 1in/28mm
- 1 x Pad Wrench 24mm
- 3 x Hose clamps

The Audurra Electric Random Orbital Sander has two systems to protect the motor and circuit board from overloading and overheating.

Downforce Overload System: The sander is able to monitor and maintain the preset Maximum Speed as user downforce increases or decreases during use. During periods of overly high user downforce, the Sander will flash the LED on the back of the tool from Green to Red and cause the motor to slow slightly as a warning to the user. Continuous downforce should be no greater than approximately 5Kg (11 lb.). If the user continues with overly high downforce, the Sander will change the LED to solid Red and stop.

Temperature Overheat System: The sander has the ability to monitor temperature of the internal electronic systems and can shut the tool down when temperature reach damaging levels.

The Audurra Electric Random Orbital Sander is equipped with a vibration absorbing "comfort grip" which reduces hand fatigue.

Masking

The quality of tapes and foils is essential for the masking process.

The Audurra range of masking films as well as masking tapes and accessories meet the needs and requirements of collision repair in work- and paint shops.

The Audurra masking films are offered in a dispenser box that guarantees a perfect protection against dust from the first to the last piece. Individual removal through the prepunched removal slot avoids any dust attraction.

Further advantages are: Save transport and easy, stackable storage.

Audurra Premium Masking Foil

Good cutting ability and electrostatic adhesion of the Audurra Premium Masking Foil (Polythene light-blue transparent) accelerate the work steps and are a prerequisite for safe and accurate covering. Due to its heat resistance up to 110°C it can be used with infrared dryers. Important: No staining from residual moisture at the vehicle, no severance of paint and water.

Product variant	Article No.	Packaging
4 m x 120 m	D15352434	1 pcs.
6 m x 80 m	D15366258	1 pcs.

Audurra HDPE Masking Foil

A good cutting and static adhesive of the Audurra HDPE Masking Foil (Polythene transparent) make the working steps faster and are the conditions for a save and perfect covering. Due to its heat resistance up to 110°C it can be used with infrared dryers. Important: The vehicle should be dry before masking. No severance of water or paint.

Product variant	Article No.	Packaging
4 m x 150 m 8 µm	D15352433	1 pcs.
4 m x 300 m 9 µm	D15352435	1 pcs.
5 m x 240 m 9 µm	D15369358	1 pcs.

Audurra mobile Dispenser for foil cartons

Mobile, practical working aid when working with the Audurra Masking Foils.

Article No.	Packaging
D15352436	1 pcs.

MASKING

Audurra Foil Cutter

The specially coated blade of the Audurra Foil Cutter enables accelerated cutting and an extended durability.

Article No.	Packaging
D15352432	1bundle = 5 pcs.

Audurra Masking Tape Superior 130 °C

Suitable for water based paint systems and a resistance up to 130 degrees for 1 hour! Sharp and clean edge for precise sticking and easy application.

Product variant	Article No.	Packaging
19 mm x 50 m	D15351707	48 pcs.
25 mm x 50 m	D15351708	36 pcs.
38 mm x 50 m	D15351709	24 pcs.
50 mm x 50 m	D15351710	24 pcs.

Audurra Masking Tape Pro 110 °C

Masking tape with high temperature resistance up to 110 degrees for 1 hour! Leaves no residue, Easy application, Sharp and clean edges.

Product variant	Article No.	Packaging
19 mm x 50 m	D15351711	48 pcs.
25 mm x 50 m	D15351712	36 pcs.
38 mm x 50 m	D15351713	24 pcs.
50 mm x 50 m	D15351714	24 pcs.

Audurra Foam Masking Tape Pro

A simple way to mask your car and protect the interior. Reduces levels of hard paint edges. Developed to be used on B and C apertures.

Product variant:	Article no.	Packaging
13mm x 50m	D15365048	1 pcs.

Audurra Foam Masking Tape Superior

An innovative foam tape for masking all vehicle gaps. Adjustable to required depth. Prevents hard paint edges. A unique, adjustable and efficient way to mask cars for paint and lacquer. For use in all apertures, A, B and C posts.

Product variant:	Article no.	Packaging
20mm x 50m	D15365047	1 pcs.

Audurra Flexible Transition Tape

A flexible product designed to mask curved swage lines & panel edges. Eliminates unnecessary rework. Ideal for bumper edges, wheel arches, roof panel lines & bridging screen gaskets/rubbers. Seamless blending from old to new paintwork.

Product variant:	Article no.	Packaging
15mm x 25m	D15365049	1 pcs.

Audurra All-in-One Interieur Protection

Article No. Packaging
D15355213 1 roll of 200 pcs.

The Audurra All-in-one Interior Protection set consists of 5 elements in one tear-off unit:

Seat cover and Floormat in one

- perfect fit of the seat cover and floormat due to non-slip inner surface
- protects against oil, dirt and water
- floormat will not slip because it is connected to seat cover
- dimensions: seat cover 960 x 1400 mm
floormat 510 x 700 mm

Non-slip steering wheel cover

- very stretchy
- suitable for car and lorry steering wheels
- dimensions: 490 x 150 mm

Gear lever protection

- can be universally used
- conform to the shape of the gear lever
- dimension: 90 x 150 mm

Hand brake protection

- fits all sizes
- adapts to the shape of the hand brake
- dimension: 100 x 150 mm

Personal Protection

Audurra offers disposable, solvent-resistant quality nitrile gloves that provides excellent protection.

The Audurra one-way Overalls offer the best wearing comfort combined with superior protection against hazardous dusts (Type 5) and certain light liquid splashes (Type 6).

Audurra Nitrile Gloves blue

A solvent-resistant quality glove that provides excellent protection. Thickness 4.5 mil. Especially suitable for working with paints and solvents.

Product variant	Article No.	Packaging
size M	D15351800	1 carton = 100 pcs.
size L	D15351801	1 carton = 100 pcs.
size XL	D15351802	1 carton = 100 pcs.

Audurra Premium Nitril Gloves black

A very high quality, powder-free and solvent-resistant glove that is stronger, thicker (Thickness 6 mil.) and more durable than conventional nitrile gloves and especially suitable for working with paints and solvents.

Product variant	Article No.	Packaging
size L	D15351803	1 carton = 60 pcs.
size XL	D15351804	1 carton = 60 pcs.

Audurra Nitrile Gloves are:

- silicone free
- latex free
- powder free
- flexible
- for single use

Audurra One-way Spraysuit

Due to its breathable texture and its red back, which is permeable to air, this overall offers the best wearing comfort combined with superior protection against hazardous dusts (Type 5) and certain light liquid splashes (Type 6).

Features:

- Elastic belly-band
- Comfortable two-way zipper
- Big-sized elastic knitted arm band
- Functional elastic band at the legs
- Antistatic
- Typ 5: EN ISO 13982-1 Protection against damaging dust
- Typ 6: EN 13034 Limited protection against liquid chemicals
- Silicon-free

Paint Preparation

Audurra Paint Mixing Stirrer

An innovative Stirrer, designed to help you mix paint faster and save paint. Perfect consistency and pigment blend are crucial for a spotless end result. Mixing paint with the Audurra Stirrer speeds up the process, reduces paint wastage and enables a perfect result!

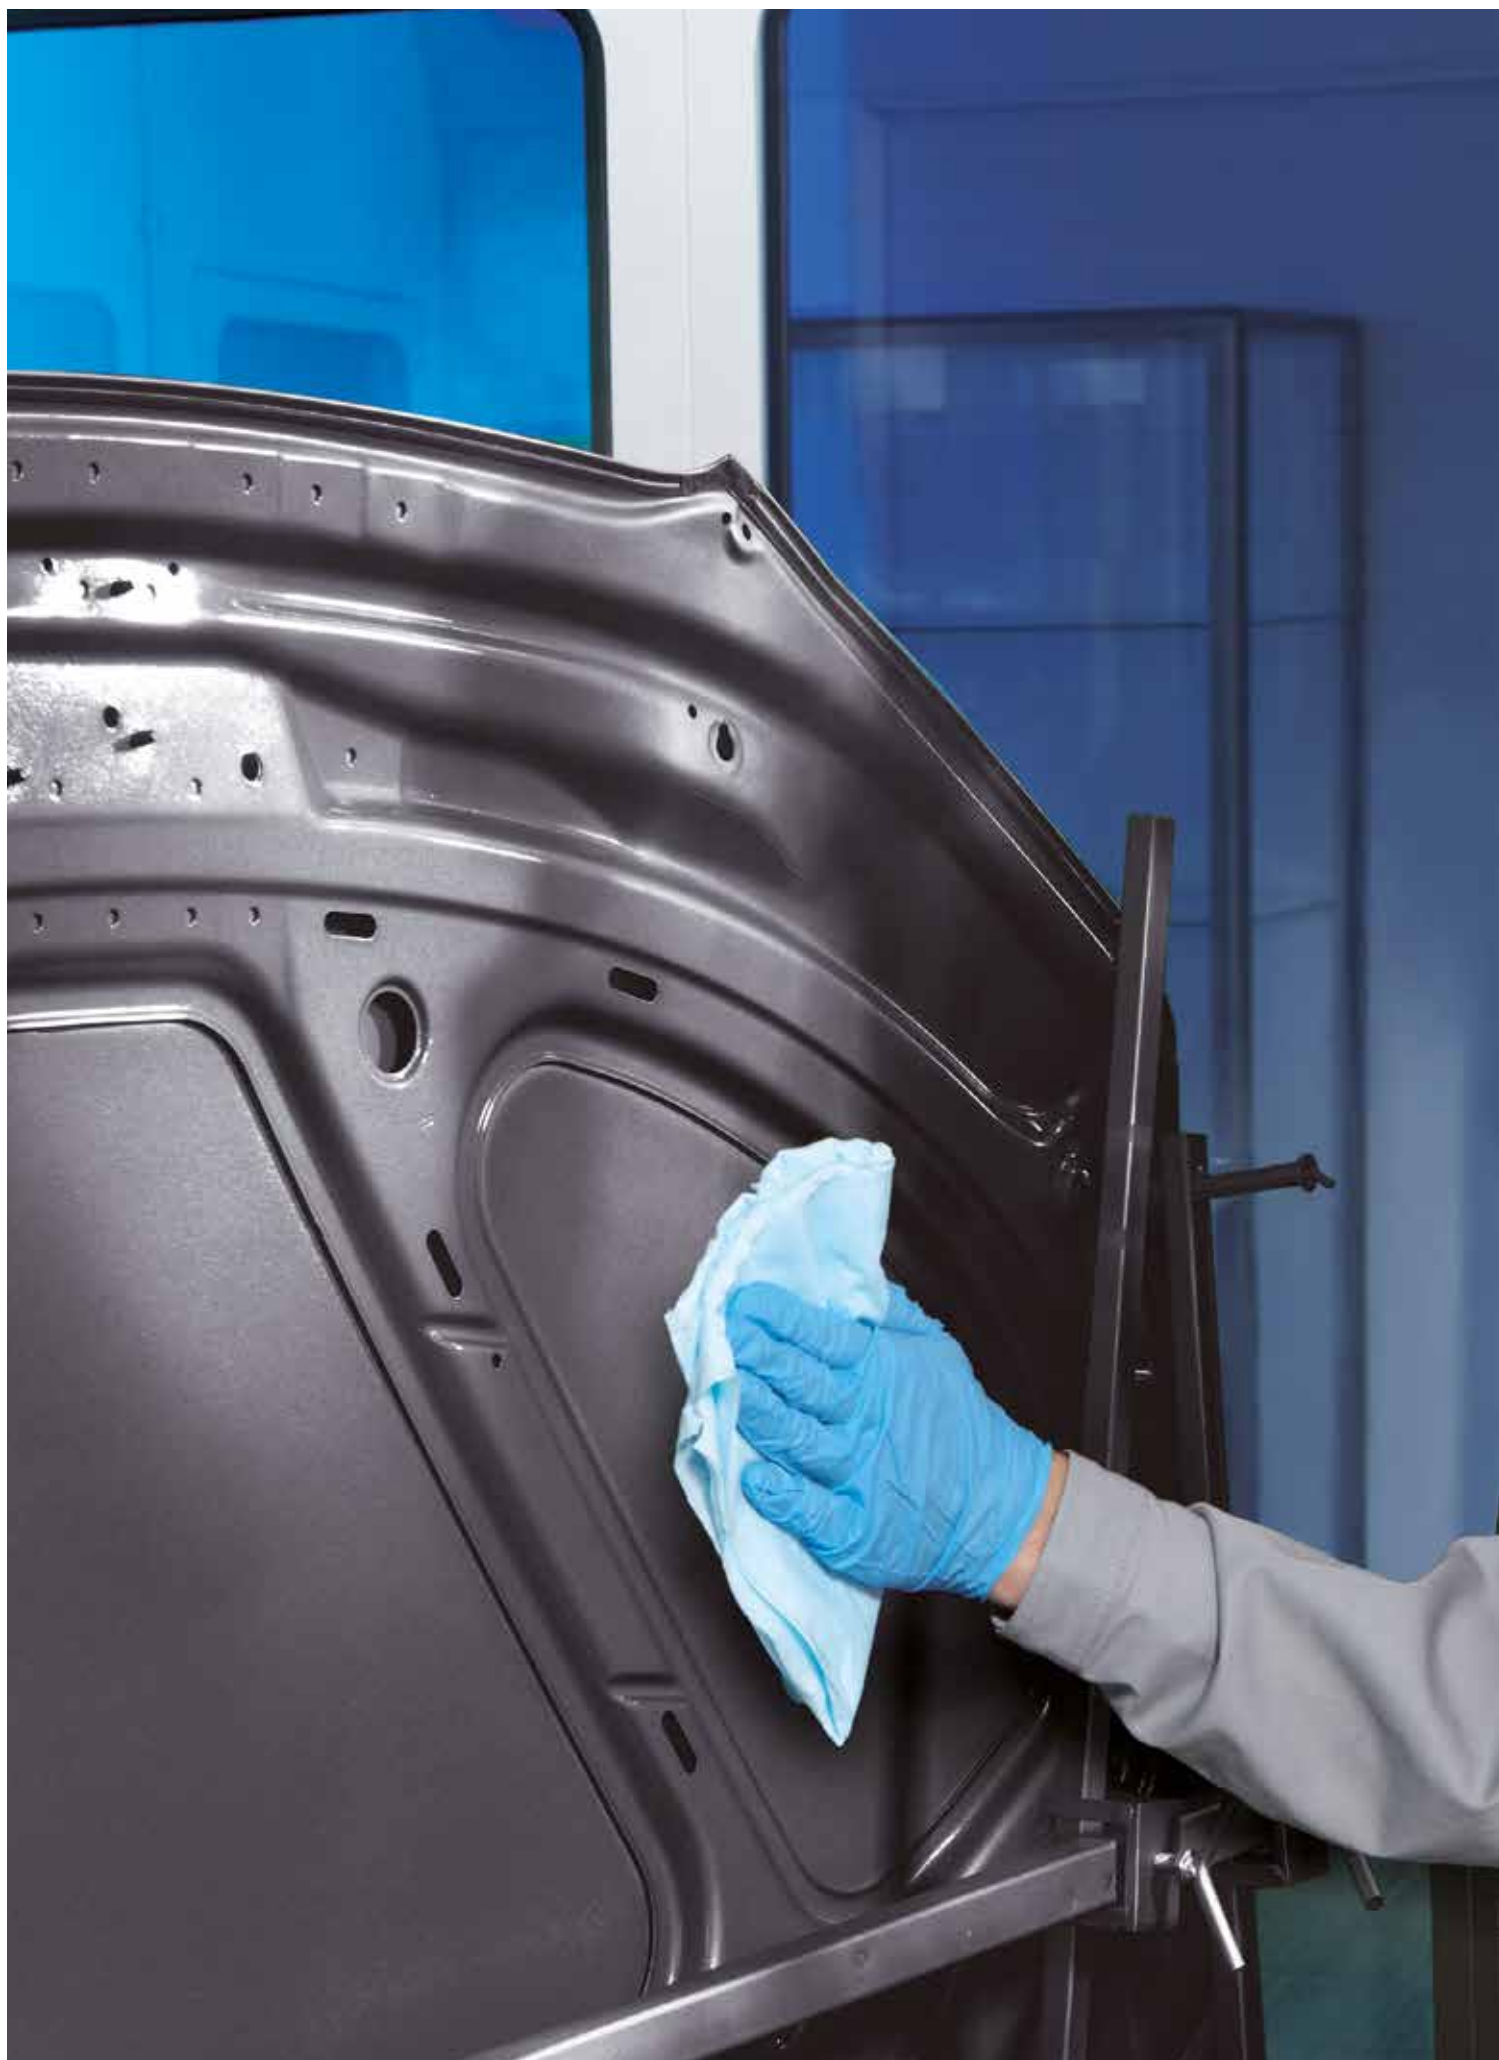

Article No.	Packaging
D15351715	1 carton = 512 pcs.

Audurra Paint Strainer

Article-No.	Strainer insert	Packaging
D15367693	nylon, 125 µm	250 pieces in a bundle / 4 x 250 pieces in a carton
D15367694	nylon, 190 µm	250 pieces in a bundle / 4 x 250 pieces in a carton

Technical Wipes

Audurra wipes and cleaning cloths for a efficient preparation for painting and uncompromising safety during painting.

The practical Audurra dispenser systems provide order and cleanliness in application.

Audurra Technical Wipes

Audurra Degreasing Cloth

Extremely tear-resistant, abrasion-proof and robust wipe (cellulose-polyester-mix) with creped surface. Turquoise. Very absorptive and hard-working (high mechanical stressing). Resistant to solvents, squeezable and for multiple uses.

Product Variant	Article No.	Packaging
dispenser box	D15351833	1 box = 150 wipes
Roll	D15351832	1 roll = 500 wipes

Audurra Degreasing Cloth Dispenser Box Holder

For the Audurra Degreasing Cloth in the handy dispenser box (D15351833) we provide a suitable holder made of plastic-coated, silver-colored metal. The holder is very solid and provides safe and tight fit to the dispenser box.

Article No.	Packaging
D15355142	1pcs

Audurra Floor Stand for Degreasing Cloth Rolls

- Grey powder coated
- Size: 900 x 730 x 390 mm
- 2x 70 mm plastic wheel

Artikelnr.	Verpackung
D15352469	1 Stck.

Technical Wipes

Audurra Polish Cloth Roll in dispenser box

Very soft and extremely absorptive wiping and polishing wipe made of viscose/polyester fibre mix. High grammage for fast and efficient absorption. Typical net structure, silicone-free and resistant to solvents. Multiple use, extremely tear-resistant. Suitable for dry and wet wiping. Textile character.

Product Variant	Article No.	Packaging
Roll in dispenser box	D15351834	1pcs

Audurra Polishing Cloth Dispenser Box Holder

For the Audurra Polishing Cloth in the handy dispenser box (D15351834) we provide a suitable holder made of plastic-coated, silver-colored metal. The holder is very solid and provides safe and tight fit to the dispenser box.

Article No.	Packaging
D15365380	1pcs

Audurra Microfibre Wipe

The microfiber wipe can be used for multiple actions concerning car polishing and paintwork preparation. It easily removes holograms and leftovers from the polish and gives shininess to every car. The corners of the wipe are very soft to avoid scratches on painted car parts.

Article No.	Packaging
D15352344	1 bundle = 5 pcs.

Paint Stands / Storage Systems

Mobile working aids from Audurra bring order and cleanliness in the bodyshop - even in confined spaces.

Practical, robust, stable, mobile: Audurra paint stands are universally and flexibly applicable and an important tool for the painting of vehicle parts.

Audurra filing systems support the safe storage and easy processing of dismantled vehicle parts or new parts.

Space-saving and compact also for masking paper, technical cloths or varnishing foils available.

Audurra Paint Stands

Audurra Assembling Trestle, galvanized, silver

Great tool for working on doors, fenders, hoods and bumpers, made of galvanized steel. Maximum payload: 225kg. Side length: 77cm. Size folded: 104 x 109cm.

Article No.	Packaging
D15352461	1pcs

Audurra Rotative Paint Stand, galvanized, silver

This stable and unshaking rotative paint stand is equipped with an extra big chassis with big wheels and a strengthened pillar to make it outstanding robust.

Article No.	Packaging
D15352462	1pcs

Paint Stands/Storage Systems

Audurra Rotative Paint Stand, galvanized, silver

Easy to use and compact, but still able to accommodate large bonnets, tailgates, doors and fenders. Turns full 180°. 2 x 8" rubber wheels, take small differences in height without any problems. Size: 800 * 600 * 850 mm

Article No.	Packaging
D15352466	1pcs

Audurra Painting X-Stand, orange powder coated

This practical item can be used for almost anything. Height and width can easily be adjusted by changing the angle. It is exceptionally good for painting bumpers or other parts.

Article No.	Packaging
D15352465	1 pcs

Audurra Wall Holder for Paper Rolls

- Grey powder coated
- Thickness of cutting blade: 0,7 mm with spring
- 2 wall brackets
- Size: 565 x 440 x 390 mm.

Article No.	Packaging
D15352467	1 pcs.

Audurra Paper Roll Trolley

This grey powder-coated paper roll trolley for masking paper rolls in the Width 45, 60 and 90 cm has capacity for 5 rolls.
The two 8-inch PU wheels make it easy to move.
With belt holders for precise adjustment
Size: 1345 x 600 x 1375 mm

Article No.	Packaging
D15352468	1 pcs.

Paint Stands/Storage Systems

Audurra Painting X-Stand, galvanized, silver (without extension)

This practical item can be used for almost anything. Height and width can easily be adjusted by changing the angle. It is exceptionally good for painting bumpers or other parts. It can hold up to 120 kilogram and is therefore for a professional environment.

Article No.	Packaging
D15352463	1pcs

Audurra Painting X-Stand Extension, galvanized, silver

With these extensions the Audurra Painting X-Stand can be used for painting bulky parts as well. Extensions can be adjusted in height and angle.

Article No.	Packaging
D15352464	1pcs

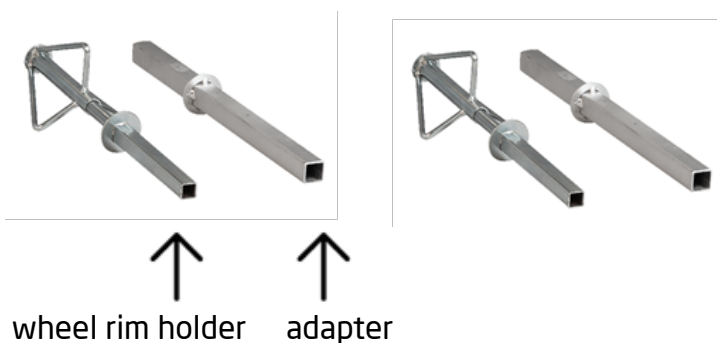

Audurra Wheel RIM Holder Set

The Audurra Wheel Rim Holder Set was developed to complement the Audurra X stand (D15352463). With the help of this set, the X stand can be easily converted to a rim paint stand and can therefore be used as a paint stand for 2 different applications. This smart innovation replaces 2 complete paint stands (X stand and wheel rim holder) and solves the space problem that is common in many paint shops.

The Audurra Wheel Rim Holder Set consists of 2x adapter and 2x rim holder.

Article No.	Packaging
D15368860	1pcs
