Axalta Refinish congratulates award-winning bodyshops at the 2021 British Bodyshop Awards

5 February 2021 – Axalta Refinish congratulates ten of its customers on winning British Bodyshop Awards at the ABP virtual awards ceremony on Thursday 28 January 2021.

Derrick Paton, Corporate Account Sales Manager for Axalta’s Refinish business in the UK & Ireland, says, “We are delighted so many of our bodyshops were among this year’s winners. Even if we weren’t all able to celebrate in a room together, the online ceremony was the next best thing.”

The UK Refinish team congratulates: Barretts ARC, Canterbury; FCW Accident Repair Centre, Twickenham; Frosts Accident Repairs, Milton Keynes; Jenkins & Pain, Dover; Lloyds Autobody Liverpool; Motofix Group; Pronto (Lovells Peterborough t/as); QA Vehicle Solutions, Edinburgh; Shine! Repair, Moira; and The Bodycentre, Norwich.

The British Bodyshop Awards were launched in 2012 and have become the biggest bodyshop awards in the UK. They are the occasion for leading insurers, accident management companies and vehicle manufacturers to recognise the best bodyshops in their own networks.

About Axalta Refinish

Axalta Refinish - part of Axalta, a leading global company focused solely on coatings – is a valued, reliable global paint repair partner to our customers, who demand nothing short of total customer satisfaction. We give them confidence in our fast, efficient, high-quality coating technologies and integrated digital business processes, making the entire paint repair journey faster, easier and more profitable. With more than 150 years of experience in the coatings industry, our dedication to innovation and our constantly-developing technology means we offer our customers an unlimited colour choice for perfect colour matches. Most importantly, we work tirelessly to anticipate our customers’ needs so they can address the challenges they face every day. We have an impressive portfolio of brands for every bodyshop requirement, for every segment of the market, and for every level of market maturity.
