Overview GMC`s 54 - 58

Audurra means a range of materials and tools that not only improve the standard of the refinish process but also optimise performance as well.

Audurra is the consolidation of the paint and non paint requirements which means a one-stop shop for bodyshops.

Audurra products bring a new level of quality to vehicle repairs. Refinishers can trust that the quality and innovation they already associate with Axalta is reflected in Audurra as its products have been extensively tested in Axalta Training Centres across the region.

Please find detailed information how to use Audurra products as well as process posters and videos explaining the paint preparation process with Audurra products on our website:

<http://refinish.axalta.eu/audurra>

Abrasives

Based on our many years of experience in the field of vehicle painting, we have developed an abrasive program that meets the highest requirements of modern painting processes.

Audurra abrasive products cover nearly the entire sanding process.

Audurra Abrasives

Audurra Premium Sanding Discs, Strips and Soft Rolls

The versatile Audurra Premium Discs, Strips and Soft Rolls are specifically developed for Axalta premium paint and laquers, designed for high stock removal rates, perfect surface quality and long life in applications such as the surface treatment of body filler, primer filler, lacquers and paints.

- easier system thanks to the new sanding steps A-B-C-D-E
- only 8 items cover 90% of the applications
- avoids application errors
- guaranteed re-coatability without scratch- and swirl marks
- faster thanks to adjusted grit sequences
- material- and cost savings through a clear process

Standard Process				A-B-C-D-E system	
	26 items				8 items
80	80	80	80	A	A
120	120	120	120	B	B
180	180	180	180	C	C
240	240	240	240		D
320	320	320	320		E
400	400	400	400		
			500		
			600		

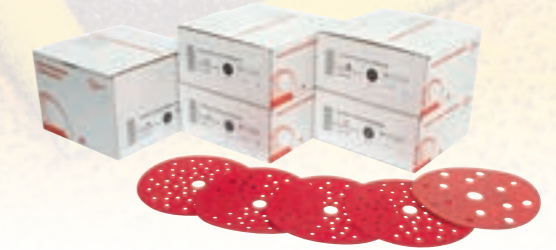

Powerful Product Features:

- Only 4 grits for paint preparation
- Competitors need at least 1 step more due to irregular scratch pattern
- Strips 70 x 400 with perforation in the middle saves half of the articles
- Multi-hole pattern for flexible use on pads and blocks
- Coarse grits with focus on removal rate and time savings
- Fine grits with low scratch depths for perfect finish
- Adjusted grit size according to application, not according to standards

Audurra Fine Finishing Disc Ø 150 mm

The Audurra Fine Finishing Disc is the key to a perfect finish in damp and dry sanding applications. It is characterized by high stock removal rates and an excellent finish. The discs are highly adaptable to contours, curves and profiles.

Article No.	Product variant	Packaging
D15352377	P1000	10 pcs.
D15352378	P3000	10 pcs.

Audurra Fleece Disc Ø 150 mm, ultra fine

The Audurra Fleece Disc can be used for dry and wet sanding and impresses due to its high conformability, consistent performance over the entire lifetime, low tendency to clog, and consistently high surface quality.

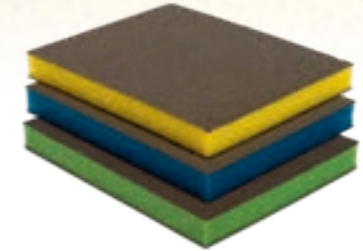

Article No.	Product variant	Packaging
D15352397	ultra fine	20 pcs.

Audurra Sanding Sponge Flex, double-sided, 98 x 120 mm

The Audurra Sanding Sponge Flex with extra soft carrier material adapts perfectly to all profiled and rounded workpieces and exhibits a very low clogging tendency in applications with varnish, filler and paint. These characteristics ensure an even and perfect abrasive pattern without scratching. The color coded Audurra Sanding Sponge Flex can also be used when moist for special applications.

Article No.	Product variant	Packaging
D15352390	fine (yellow)	10 pcs.
D15352391	super fine (green)	10 pcs.
D15352392	ultra fine (blue)	10 pcs.

Audurra Fleece Pad (152 x 229 mm)

The Audurra Fleece Pad can be used for dry and wet sanding and impresses due to its high conformability, consistent performance over the entire lifetime, low tendency to clog, and consistently high surface quality.

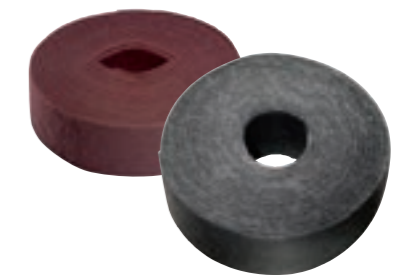

Article No.	Product variant	Packaging
D15352395	very fine	20 pcs.
D15352396	ultra fine	20 pcs.

Audurra Fleece roll (100 x 10000 mm)

The Audurra Fleece roll can be used for dry and wet sanding and impresses due to its high conformability, consistent performance over the entire lifetime, low tendency to clog, and consistently high surface quality.

Article No.	Product variant	Packaging
D15352393	very fine	1 piece
D15352394	ultra fine	1 piece

Audurra Backup Pad

A high-quality product made in Germany! This Audurra Backup Pad optimizes the dust extraction and increases the performance and the lifetime of the product. The hole pattern is perfectly aligned with most commercially available hole patterns of the well-established abrasive discs in the Refinish market.

Article No.	Product variant	Packaging
D15375403	147mm Multi/medium	1 piece
D15380483	147mm Multi/hard	1 piece

Audurra Interface Pad

The Audurra interface pad leads to an optimum distribution and allows the abrasive to adapt perfectly to curves and contours. Moreover it protects the backing pad.

Article No.	Product variant	Packaging
D15380485	147mm Multi/5 soft	2 pcs.
D15380484	147mm Multi/10 soft	2 pcs.

Audurra Sanding Block

The Audurra Hand Block with suction hose and fasteners is noted for its low weight combined with an anatomically shaped handle for comfortable sanding. Comes complete with a control valve and an adapter. The two dimensions of hand blocks complement the Audurra sanding system. They are used for levelling applications. The perforated Audurra Premium Sanding Stripes 70 x 400 mm can be applied on both tools.

D15379904	70 x 198 mm	1 piece

Audurra Sanding Dry Guide Coat - 100g black with applicator

The Audurra Dry Guide Coat has excellent covering properties. The powder makes all imperfections and scratches visible. The applicator leaves an even powder coating. This is a great tool in guiding the operator through the sanding process and achieving a perfect result. The black powder is used for light colour surfaces.

Article No.	Product variant	Packaging
D15351798	100 g black	1 piece

Audurra Systainer

This Audurra Systainer is the perfect tool to professionally demonstrate and store the Audurra abrasive discs with Ø 150 mm. It contains a hard copy poster explaining the proper usage and the great benefits of the Audurra Premium Abrasive System - in 2 languages (EN/DE). This poster is perfectly fitting into the systainer lid.

Audurra Sanding Solution Cart

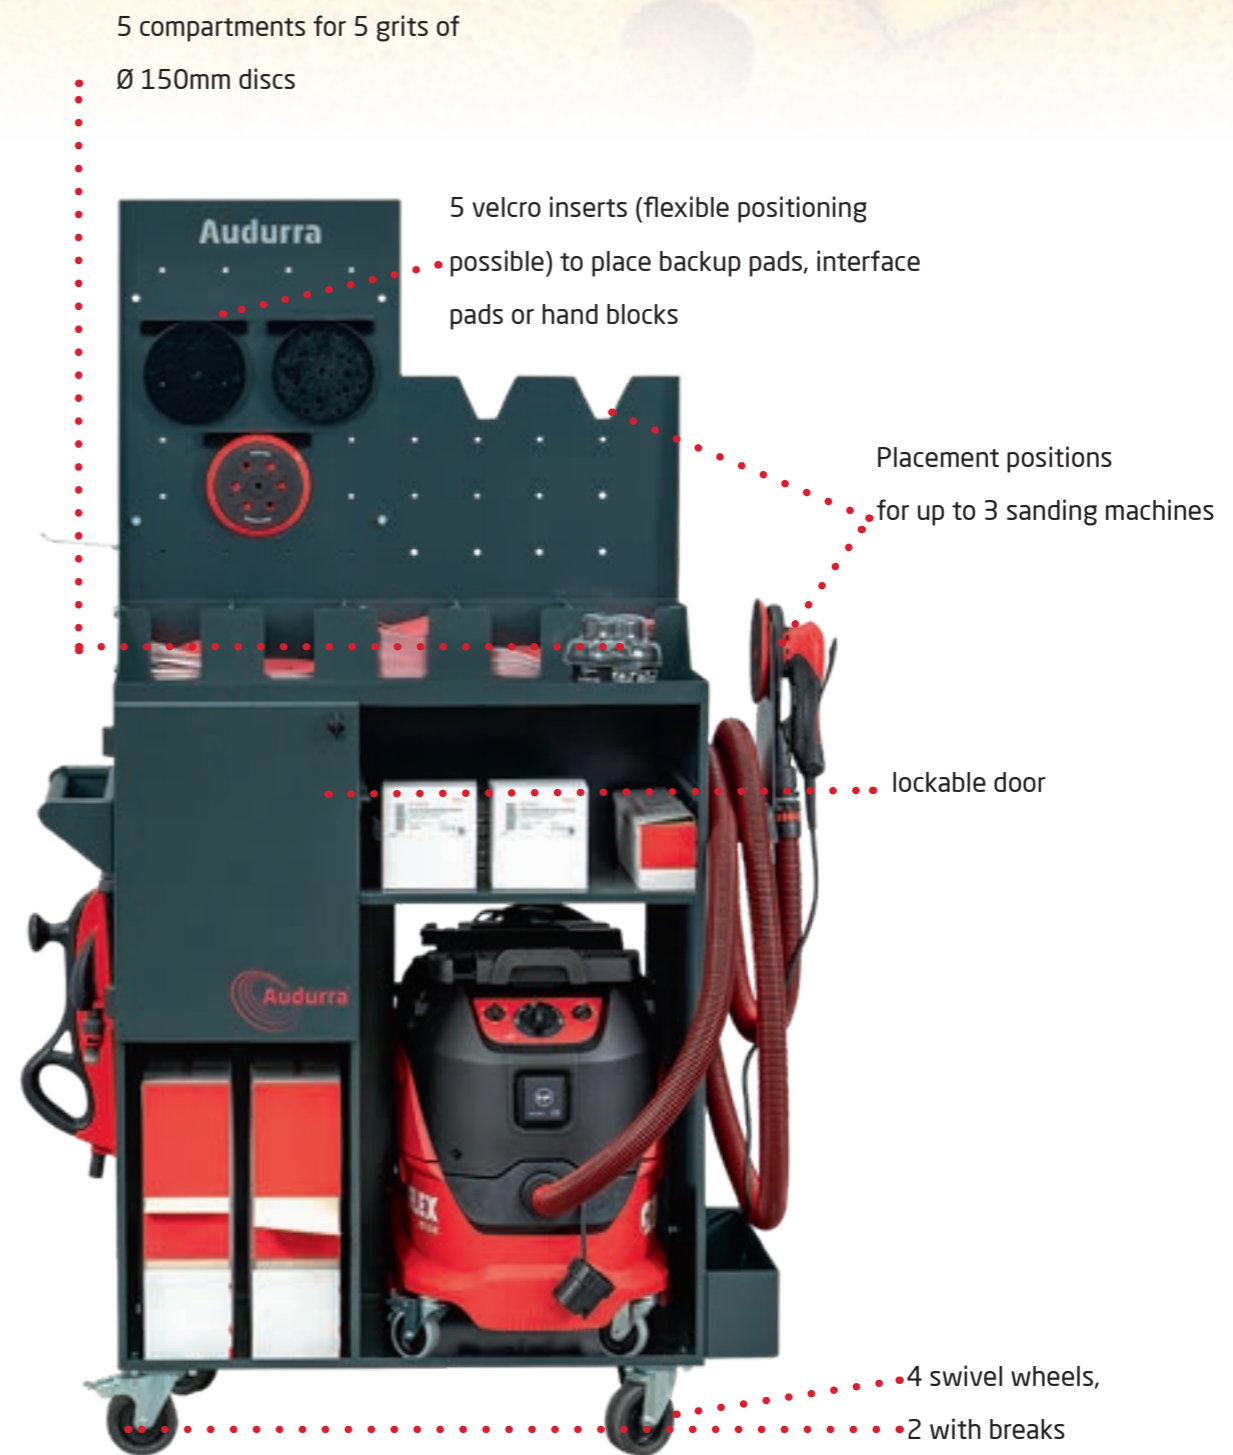

Audurra Sanding Solution Cart

Optimize the sanding process in your body shop and realize the right quality at first go! A well-structured workplace organization is key for a process-oriented repair job. The Audurra Sanding Solution Cart is the key component to achieve a standardized repair process to get a smooth workflow in the body shop. Thanks to this mobile cart all needed abrasives, tools and machines are always at the place of action. Unnecessary routes and movements could be avoided and the time-consuming search for the right materials in the body shop will become a thing of the past.

Article No.	Description	Colour	Packaging
D15379363	Audurra Sanding Solution Cart	RAL7016 anthracite-gray	1 piece
D15379364	Audurra CT-Adapter for Sanding Solution Cart	Zinc-coated	1 piece

Features & benefits:

- process-oriented workplace organization
- coherent system
- no abrupt changes of sanding grits thanks to standardized equipped cart
- faster job training / onboarding for new employees
- less movements required
- less material (SKUs) required
- tools and machines at the place of action
- higher workplace appreciation
- a standardized process guarantees constant quality and less rework
- improved customer body shop perception

The illustration shows the cart with Audurra products, which are not included in the scope of delivery of the cart,

Masking

The quality of tapes and foils is essential for the masking process.

The Audurra range of masking films as well as masking tapes and accessories meet the needs and requirements of collision repair in work- and paint shops.

The Audurra masking films are offered in a dispenser box that guarantees a perfect protection against dust from the first to the last piece. Individual removal through the prepunched removal slot avoids any dust attraction.

Further advantages are: Save transport and easy, stackable storage.

D15352436	1 piece

Audurra All-in-One Interior Protection

Article No.	Packaging
D15355213	1 roll of 200 pcs.

The Audurra All-in-one Interior Protection set consists of 5 elements in one tear-off unit:

Seat cover and Floormat in one

- perfect fit of the seat cover and floormat due to non-slip inner surface
- protects against oil, dirt and water
- floormat will not slip because it is connected to seat cover
- dimensions: seat cover 960 x 1400 mm
floormat 510 x 700 mm

Non-slip steering wheel cover

- very stretchy
- suitable for car and lorry steering wheels
- dimensions: 490 x 150 mm

Gear lever protection

- can be universally used
- conform to the shape of the gear lever
- dimension: 90 x 150 mm

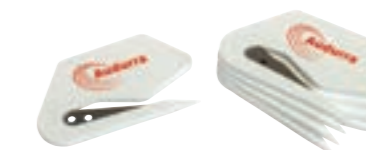

Hand brake protection

- fits all sizes
- adapts to the shape of the hand brake
- dimension: 100 x 150 mm

Audurra Foil Cutter

The specially coated blade of the Audurra Foil Cutter enables accelerated cutting and an extended durability.

Audurra Foam Masking Tape Pro

A simple way to mask your car and protect the interior. Reduces levels of hard paint edges. Developed to be used on B and C apertures.

Article No.	Product variant:	Packaging
D15365048	13 mm x 50 m	1 piece

Audurra Foam Masking Tape Superior

An innovative foam tape for masking all vehicle gaps. Adjustable to required depth. Prevents hard paint edges.

A unique, adjustable and efficient way to mask cars for paint and lacquer. For use in all apertures, A, B and C posts.

Article No.	Product variant:	Packaging
D15365047	20 mm x 50 m	1 piece

Audurra Flexible Transition Tape

A flexible product designed to mask curved swage lines & panel edges. Eliminates unnecessary rework. Ideal for bumper edges, wheel arches, roof panel lines & bridging screen gaskets/rubbers. Seamless blending from old to new paintwork.

Article No.	Product variant:	Packaging
D15365049	15 mm x 25 m	1 piece

Audurra Duplex Masking Tape

Audurra Duplex Masking Tape is high quality, 80°C automotive grade crepe paper masking tape with excellent adhesion to all surfaces. It can be used with all solvent and water-based paints providing clean removal with no residue..

Article No.	Product variant	Packaging
D15376363	75mm x 20m	1 piece

Areas of application:

- Roof / Cant Rails
- Door rubber seals
- Bonnet/Hood
- Boot/Trunk
- Wing/Fender/Guard

Audurra Perforated Trim Masking Tape

Audurra Perforated Trim Masking Tape uses a high temperature crepe masking tape with a rubber pressure sensitive adhesive. It is designed to protect rubber trims and bodyside mouldings during the automotive refinish process. The product is perforated which makes it simple and easy to use and flexible to follow contours and tight curves.

Features:

- Pre-perforated for easy tear
- Linerless
- Easy lifting tab
- One size fits all

Article number	Dimensions	Packaging unit
D15389563	50mm x 10m	1 roll

Audurra Fine Line Tape Blue

Audurra Fine Line Tape Blue uses a thermally stabilized PVC backing with a rubber-based pressure sensitive adhesive. It is highly flexible, easy to curve and will hold and cleanly remove from surfaces in temperatures up to 150°C for at least 1 hour. After demasking, it will leave no residue and a sharp, clean separation line.

Features:

- medium flex tape
- ideal for straight lines whilst also remaining flexible
- especially suitable for multicolor applications
- widths from 3mm - 12mm
- temperature resistant up to 150°C
- suitable for high bake ovens

Article number	Dimensions	Packaging unit
D15393968	3mm x 55m	1 roll
D15393969	6mm x 55m	1 roll
D15393970	9mm x 55m	1 roll
D15393971	12mm x 55m	1 roll

Audurra Fine Line Tape Orange

Audurra Fine Line Tape Orange uses a translucent thermally stabilized PVC backing with a rubber-based pressure sensitive adhesive. It is highly flexible, easy to curve and will hold and cleanly remove from surfaces in temperatures up to 150°C for at least 1 hour. After demasking, it will leave no residue and a sharp, clean separation line.

Features:

- thinner and more translucent than other Fine Line Tapes making it ideal for seeing through to the painted surface
- ideal for straight lines whilst also being highly flexible
- widths from 3mm - 12mm
- temperature resistant up to 150°C

Audurra Safety Glasses

The Audurra Safety Glasses with polycarbonate lenses has adjustable earpieces and provides optimum protection and a clear vision while working.

Article No.	Colour	Packaging
D15375063	white	1 piece

Features

- reliable eye protection
- clear and scratch-resistant polycarbonate lenses
- suitable to wear over spectacles
- adjustable earpieces for optimum comfort
- sporty design
- DIN EN 166 safety specification

Audurra Spraysuit

The premium-quality Audurra spraysuit is manufactured from 100% PES and therefore guaranteed lint free. The black primary color in combination with the red accentuations, Audurra logos and printings is setting new visual standards and is perfectly harmonizing with its sporty pattern. The exceptional breathable "Pro AIR Soft Stretch" material used at the back ensures an excellent air ventilation and a high wearing comfort.

Features:

- Hood with Velcro and extra breathable parts
- elastic cuffs at the arms and the legs
- two-way zipper
- 2 side pockets without bag at the hips
- 1 chest pocket with hidden Velcro
- 2 backside pockets without Velcro
- adjustable waist band
- 100 % polyester
- lint free, tear-resistant, breathable
- antistatic
- washable till 40° C (recommended before first use)

Paint Preparation

Audurra mixing cups and stirrers for precise mixing of the colour and an optimal end result.

The Audurra Dispenser keeps the mixing cup clean and the workplace cleaned up.

Audurra Paint Preparation

Audurra Smart Cup System

The Audurra Smart Cup System consists of the lid and liner kits as well as the separate outer cups and collars. Each lid has a permanently integrated filter, which ensures optimal filtration of the paint during use. You can choose between lids with 125µ filter, which are often recommended for water-based paints, or with 200µ filter for traditional solvent-based paints. With the Audurra Smart Cup System, the disposable liner is inserted into the reusable outer cup. The paint is simply mixed in the liner, then the disposable lid (with built-in filter) and the locking ring are put on - and the Audurra system is complete and ready to use.

Features:

- available in sizes 170ml, 400ml, 650ml and 850ml
- Filter sizes: 125µ and 200µ
- With this system, painters can spray in a constant 90-degree angle independent of the orientation of the part to be processed (even overhead)
- Reduces the risk of contamination from the outside and guarantees a uniform paint application

Article No.	Product variant	Filter	Packaging
D15382260	170 ml	125µ	50 liners, 50 lids, 24 caps

Plastic Repair

Plastic repair is an essential aspect of car maintenance and repair.

The Audurra Plastic Repair System makes it ideal for small and quick bonding and repair jobs. This system creates a durable polymer that can withstand elevated temperatures, moisture, fuel, many solvents, and chemicals.

Its excellent gap-filling and sag resistance properties make it suitable for vertical application, and it can even rebuild broken or missing bumper tabs when used with a reinforcing mesh. With its early sanding and painting capability, the use of Audurra 2K-PU Plastic Repair System results in a fast turnaround time, making it an ideal choice for refinishing professionals.

Audurra Plastic Repair

Audurra Plastic Repair System

The Audurra 2K-PU Plastic Repair System is a fast curing, micro emission, and easy to use structural 2-component polyurethane adhesive. It cures by a chemical reaction of the two components forming a durable polymer resistant to elevated temperature, moisture, fuel, many solvents, and chemicals. Audurra 2K-PU Plastic Repair System is specially designed for small, quick, durable bonding and repair jobs. The use of Audurra 2K-PU Plastic Repair System yields a fast turnaround due to early sanding and painting capability. Audurra 2K-PU Plastic Repair System shows good sag resistance properties, allowing vertical application and offers excellent gap filling properties. In combination with a reinforcing mesh broken or missing bumper tabs can be rebuilt.

Substrate Preparation

Audurra wipes and cleaning cloths for an efficient preparation for painting and uncompromising safety during painting.

The practical Audurra dispenser systems provide order and cleanliness in application.

Audurra Substrate Preparation

Audurra Degreasing Cloth

Extremely tear-resistant, abrasion-proof and robust wipe (cellulose-polyester-mix) with creped surface. Turquoise. Very absorptive and hard-working (high mechanical stressing). Resistant to solvents, squeezable and for multiple uses.

Article No.	Product Variant	Packaging
D15351833	Dispenser box	1 box = 150 wipes
D15351832	Roll	1 roll= 500 wipes

Audurra Degreasing Cloth Dispenser Box Holder

For the Audurra Degreasing Cloth in the handy dispenser box (D15351833) we provide a suitable holder made of plastic-coated, silver-colored metal. The holder is very solid and provides safe and tight fit to the dispenser box.

Article No.	Packaging
D15355142	1 piece

Audurra Polish Cloth Roll in dispenser box

Very soft and extremely absorptive wiping and polishing wipe made of viscose/polyester fibre mix. High grammage for fast and efficient absorption. Typical net structure, silicone-free and resistant to solvents. Multiple use, extremely tear-resistant. Suitable for dry and wet wiping. Textile character.

Article No.	Product Variant	Packaging
D15351834	Roll in dispenser box	1 piece

Audurra Polishing Cloth Dispenser Box Holder

For the Audurra Polishing Cloth in the handy dispenser box (D15351834) we provide a suitable holder made of plastic-coated, silver-colored metal. The holder is very solid and provides safe and tight fit to the dispenser box.

Article No.	Packaging
D15365380	1 piece

Audurra Microfibre Wipe

The microfibre wipe can be used for multiple actions concerning car polishing and paintwork preparation. It easily removes holograms and leftovers from the polish and gives shininess to every car. The corners of the wipe are very soft to avoid scratches on painted car parts.

Article No.	Packaging
D15352344	1 bundle = 5 pcs.

Audurra Tack Cloth Aqua

The Audurra Tack Cloth Aqua is ideal for VOC-compliant coatings and water-based paint systems. It provides a perfect capture of small and medium particles thanks to its aperture fibrous structure leaving a lint-free surface.

Article No.	Packaging
D15375263	1 bundle = 10 pcs.

Features

- Cleaning / Removal of dust, dirt particles and lint
- Polyester and viscose medium aperture nonwoven
Acrylic binder for a better tear and abrasion resistance and no fiber loss
- Apertured fibrous structure to remove all particles
- Silicone-free and lint-free
- Resealable bag

Audurra Pumpspraybottle

Description:

Pressure build-up in the liquid container by pumping. A mere push on the spray button ensures an even and constant mist, which can be regulated by turning the nozzle nut.

The Audurra logos are printed on both sides of the Compressed Air Sprayer to offer sufficient space in front of the bottle to add a label indicating which liquid is used in the bottle, e.g. silicon remover.

Features:

- Compressed air sprayer with VITON O-ring
- Fill quantity: 0,9 l max
- Shapely and technically advanced device for spraying large quantities of liquid
- Operating pressure: 3 bar / safety valve
- Nozzle: plastic Ø 0,8 mm
- Marking for indication of the maximum recommended fill content as well as a division into common mixing ratios: 1:10 (10 %), 1:20 (5 %) und 1:50 (2 %)
- Only 3,5 turns are needed to open and close the bottle

Paint Stands / Storage Systems

Mobile working aids from Audurra bring order and cleanliness in the bodyshop -even in confined spaces.

Practical, robust, stable, mobile: Audurra paint stands are universally and flexibly applicable and an important tool for the painting of vehicle parts.

Audurra filing systems support the safe storage and easy processing of dismantled vehicle parts or new parts.

Space-saving and compact also for masking paper, technical cloths or varnishing foils available.

Audurra Paint Stands/Storage Systems

Audurra Painting X-Stand, galvanized, silver (without extension)

This practical item can be used for almost anything. Height and width can easily be adjusted by changing the angle. It is exceptionally good for painting bumpers or other parts. It can hold up to 120 kilogram and is therefore for a professional environment.

Article No.	Packaging
D15352463	1 piece

Audurra Assembling Trestle, galvanized, silver

Great tool for working on doors, fenders, hoods and bumpers, made of galvanized steel. Maximum payload: 225kg. Side length: 77 cm. Size folded: 104 x 109cm.

Article No.	Packaging
D15352461	1 piece

Audurra Painting X-Stand Extension, galvanized, silver

With these extensions the Audurra Painting X-Stand can be used for painting bulky parts as well. Extensions can be adjusted in height and angle.

Article No.	Packaging
D15352464	1 piece

Audurra Rotative Paint Stand, galvanized, silver

Easy to use and compact, but still able to accommodate large bonnets, tailgates, doors and fenders. Turns full 180°. 2 x 8" rubber wheels, take small differences in height without any problems. Size: 800 * 600 * 850 mm.

Article No.	Packaging
D15352462	1 piece

Audurra Wheel RIM Holder Set

The Audurra Wheel Rim Holder Set was developed to complement the Audurra X stand (D15352463). With the help of this set, the X stand can be easily converted to a rim paint stand and can therefore be used as a paint stand for 2 different applications. This smart innovation replaces 2 complete paint stands (X stand and wheel rim holder) and solves the space problem that is common in many paint shops.

The Audurra Wheel Rim Holder Set consists of 2x adapter and 2x rim holder.

Article No.	Packaging
D15368860	1 piece

Audurra Rotative Paint Stand, galvanized, silver

This stable and unshaking rotative paint stand is equipped with an extra big chassis with big wheels and a strengthened pillar to make it outstanding robust.
