

Audurra™ Premium Sanding Strips, perforated

SANDING

Description:

The versatile Audurra Premium Sanding Strips are specifically developed for Axalta premium paint and lacquers, designed for high stock removal rates, perfect surface quality and long life in applications such as the surface treatment of body filler, primer filler, lacquers and paints.

Features:

- Easy-to-understand system thanks to the new sanding steps A-B-C
- avoids application errors (high process stability)
- guaranteed re-coatability without scratch- and swirl marks
- faster process thanks to adjusted grit sequences
- material and cost savings through a clear process
