

# Claims Referral Service

If you are looking for a way to increase your insurance claim referrals, then search no further! We've formed a strategic alliance with Vspec - Vehicle Claim Specialists, a growing and highly respected network of collision repair shops across North America specializing in referrals for trucks, tractor trailers, recreational vehicles, and heavy equipment.

## Why VSPEC?

Vspec is an industry leader that people turn to when looking for claims assistance with commercial vehicles, heavy equipment, recreational vehicles, private passenger auto, and motorcycles/ATV's. Their in-house experts have years of experience in handling these types of claims. Vspec acts quickly to make the connection between vehicle owners and repair shops. Here are just a few of the benefits you will see if you choose to partner with them!

Their focus on commercial vehicles and heavy equipment has evolved over time to now include the following:

**Commercial Vehicles | Trucks & Tractor/Trailer | Recreational Vehicles  
Heavy Equipment | Motorcycle/ATV | Private Passenger Automobile**

There is no fee to join and as an Axalta Quality Repair Professionals Network member, your shop will be fast tracked into their network of preferred repair facilities. To enroll, simply visit their website, select **Vendor** on the top navigation and then select **Repair Facility Registration**. Complete the registration form and in the comments section, be sure to state your membership status in the Axalta Quality Repair Professional Network. Then submit!

For more information on how Vspec can benefit your business, visit [www.vspecclaims.com](http://www.vspecclaims.com) or contact them at 1.866.403.5338.
