

Metalux™ 1197 Pre-Wipe Degreaser

GENERAL

DESCRIPTION

1197 Pre-Wipe Degreaser is used for the removal of grease, oils and foreign substances before painting. Can also be used as a medium dry final wipe before painting.

Package Sizes

- 1 quart (0.94 liters)
- 1 gallon (3.75 liters)
- 5 gallon (18.9 liters)

APPLICATION

APPLICATION

Use a clean silicone and lint free wipe to apply. Do not place wipe on opening of container as contamination could occur. Pour/spray onto a wipe or into a separate container for use. Discard container when finished. Wipe in one direction with the wet wipe. Follow with a separate clean wipe in the same direction. Clean surfaces in sections-not all at once.

NOTE: Do NOT allow product to dry on the surface.

VOC REGULATED AREAS

These directions refer to the use of products which may be restricted or require special mixing instructions in VOC regulated areas. Follow mixing usage and recommendations in the VOC Compliant Products Chart for your area.

SAFETY AND HANDLING

For industrial use only by professional, trained painters. Not for sale to or use by the general public. Before using, read and follow all label and SDS precautions. If mixed with other components, mixture will have hazards of all components.

Ready to use paint materials containing isocyanates can cause irritation of the respiratory organs and hypersensitive reactions. Asthma sufferers, those with allergies and anyone with a history of respiratory complaints must not be asked to work with products containing isocyanates.

Do not sand, flame cut, braze or weld dry coating without a NIOSH approved air purifying respirator with particulate filters or appropriate ventilation, and gloves.
