

Ready to work in a forward-thinking, fast-moving environment **where you can be simply brilliant...**

While our name is new, we are backed by a 150-year legacy of providing some of the most advanced coating technologies to customers all over the world. We rank number one or two in all of the major business segments we serve. Our longstanding commitment to progressive research is setting new standards and driving us towards sustainable coating solutions for tomorrow.

Axalta is hiring product specialists now in Atlanta, Austin, Colorado, Florida, Houston, Maryland, North Carolina, North Texas, San Antonio, South Carolina and Virginia. If you have a high-school diploma, at least five years in the industry and are free to travel, here's your opportunity to become the primary product technical resource within our sales team, to support our products in all market segments to promote growth and customer loyalty.

- You'll develop, train and support our distributors to meet the needs of our collision shop customers.
- You'll become certified and competent in all of our brands and technologies to support strategic accounts and new customer installations.
- You'll utilize our account management tools to support key accounts and build relationships with key decision makers.
- You'll maintain current accounts emphasizing retention utilizing our CRM software.
