

IDENTICA for fleet, leasing, insurances & car dealers

The solution for claims management

Professional claims management calls for clearly defined standards and tailor-made solutions for accident repairs. This is why IDENTICA complies with the needs of Fleet-, Leasing- and Insurance companies. The outcome is solutions for efficient claims management, comprehensive service and high repair quality.

These factors make IDENTICA bodyshops into service-oriented firms for the management your claims, particularly where large volumes of fleet vehicles are concerned. Take advantage of this high-performance bodyshop network for the handling of repairs under insurance claims.
