

**SUPERIOR 2K POLYURETHANE TECHNOLOGY**  
INDUSTRIAL WOOD COATINGS

## SUPERIOR 2K POLYURETHANE TECHNOLOGY

Representing the next generation of urethane technology, Imron™ Industrial offers a complete coating system for the most demanding specifications. These innovative products combine exceptional quality and performance. A brand recognized for nearly 50 years for its superior value and proven results.

Polyurethane coatings are ideal for any application where surfaces are subject to higher levels of wear-and-tear and where excellent chemical/physical resistance is required. Imron™ Industrial offers a wide range of polyurethane and acrylic coatings in many sheens, clear and pigmented.

<b>Sealer</b>	TAS3010	Imron™ Industrial Acrylic Sealer
<b>Topcoats</b>	TAF3000	Imron™ Industrial Acrylic Topcoat - Dead Flat
	TAF3001	Imron™ Industrial Acrylic Topcoat - Matte
	TAF3002	Imron™ Industrial Acrylic Topcoat - Satin
	TAF3004	Imron™ Industrial Acrylic Topcoat - Soft Gloss
	TAF3006	Imron™ Industrial Acrylic Topcoat - Semi-Gloss
	TAC3009	Imron™ Industrial Acrylic Topcoat - Gloss
	TAC3099	Imron™ Industrial Acrylic Topcoat - Full Gloss
<b>Sealer</b>	TUS2010	Imron™ Industrial Polyurethane Sealer
	TUS2020	Imron™ Industrial Polyurethane High Build Sealer
<b>Topcoats</b>	TUF2001	Imron™ Industrial Polyurethane Topcoat - Matte
	TUF2002	Imron™ Industrial Polyurethane Topcoat - Satin
	TUF2004	Imron™ Industrial Polyurethane Topcoat - Soft Gloss
	TUF2006	Imron™ Industrial Polyurethane Topcoat - Semi-Gloss
	TUC2009	Imron™ Industrial Polyurethane Topcoat - Gloss
	TUC2099	Imron™ Industrial Polyurethane Topcoat - Full Gloss
<b>Primer</b>	TUW2200	Imron™ Industrial White Polyurethane Primer
<b>Topcoats</b>	TUW2202	Imron™ Industrial White Polyurethane Topcoat - Satin
	TUW2204	Imron™ Industrial White Polyurethane Topcoat - Soft Gloss
	TUW2206	Imron™ Industrial White Polyurethane Topcoat - Semi-Gloss
	TUW2209	Imron™ Industrial White Polyurethane Topcoat - Gloss
	TUW2299	Imron™ Industrial White Polyurethane Topcoat - Full Gloss
<b>Sealer</b>	TSS2030	Imron™ Industrial Acrylic Isolante
	TSS2040	Imron™ Industrial Acrylic Isolante
<b>Thinners</b>	YYT0040	Premium PU Thinner
	YYT0050	Premium PU Slow Reducer
	YYC0060	Imron™ Industrial UV Absorber
	YYC0070	Imron™ Industrial UV Absorber
	YYC0080	Imron™ Industrial Flattening Paste
<b>Catalyst</b>	CXC1100	Imron™ Industrial Acrylic Catalyst
	CXC1300	Imron™ Industrial Polyurethane Catalyst
	CXC1400	Imron™ Industrial PU High Gloss Catalyst
	CXC1600	Imron™ Industrial Isolante Catalyst

### Key Attributes

- > Ease of use
- > Intensely Durable
- > Versatile
- > Excellent chemical and abrasion resistance
- > Unrivaled beauty

### Benefits

- > Formaldehyde free
- > Low odor
- > Fast dry
- > Easy sanding
- > High build / high solids
- > Excellent flow and leveling
- > Easily surpasses KCMA standards

### Perfect for

- > Kitchen/bath cabinetry
- > Tables
- > Office furniture
- > Millwork/fixtures
